

Approved Softball Bats

In order for a bat to be legal for use in NFHS softball it must be marked with the ASA 2000, 2004 or the USA Softball All-Games Certification Mark. Additionally, any bat with one of these certification marks must not appear on the list of the USA Softball Non-Approved Bats with Certification Marks. The complete list of approved and non-approved bats can be found on the USA Softball Website (<http://tnhs.us/-getxr>).
