

MTSU Overflow Parking Options

Primary parking for the TSSAA Basketball State Championships is \$5 in the Greenland Lot. Parking in Greenland Lot is limited, so spectators should plan accordingly. If that lot is full, the MTSU Livestock Center Parking Lot is available for overflow parking. It is on the right when they continue down Greenland Drive past Champion Way.

If that lot fills, spectators should continue down Greenland Drive and turn right on Rutherford Blvd, then turn right into the MTSU Lot before reaching MTSU Blvd. Spectators who park in the MTSU Lot can utilize the MTSU campus bus system. The Red Route is the bus that serves the MTSU Lot on a loop. This bus will bring the spectators to the KOM Building which is near the football scoreboard. The MTSU Mobile App can be downloaded for a live look at the buses running and the stops (select Maps tab, then under Settings, select "Red Route").
