RIVER COURSE – PAR 72

SPECTATOR GUIDE:

The Sevierville Golf Club is a 36-hole championship facility featuring two distinct 18-hole championship courses.

The River Course was recently ranked by Golf Advisor as the 28th best course in the U.S. and #1 best course in Tennessee. It plays along and across the Little Pigeon River and is the more challenging of the two courses at the Sevierville Golf Club. Though mostly flat, it offers some elevation and great views of the mountain and river.

From the Clubhouse, the River Course runs along the Little Pigeon River on No. 1 and No. 2 then crosses the river for holes 3-5 before crossing back over the river to No. 6. Holes 6-7 continue along the Little Pigeon River before turning inward at No. 8. Players will continue through to No. 10 and at the conclusion proceed across Old Knoxville Hwy. to No. 11-14 before returning across Old Knoxville Hwy. to resume play. Play will continue through No. 18 ending at the Clubhouse.

The River Course is very walkable, but it is a long course and crosses the road twice. For those who do not wish to follow their player on all holes, we suggest the following:

- If your player begins at No. 11, wait for their return to the No. 15 tee area.
- If your player begins at No. 1, follow them through No. 10 and wait for their return to the No. 15 tee area.

Obviously, spectators are more than welcome to follow their player through all 18 holes, but be aware holes 11-14 are long walks with hilly terrain.

Spectator Shuttles:

A shuttle will be available for spectators at the following locations beginning at 7:30 AM:

- Clubhouse
- Pheasant Ridge Rd (Highlands Course: near Hole No. 9 green)
- Reed Schoolhouse Rd. (River Course: Holes 11-14. Highlands Course: Holes 6-18)

Food and beverage stations are positioned in the following locations:

- After No. 2 and No. 5
- At No. 15 tee.

Restrooms are positioned in the following locations:

- After No. 2 and No. 5
- Between No. 6 green, No. 7 fairway and No. 10 tee
- At No. 11 tee and No. 14 green
- At No. 15 tee

SEVERE WEATHER SHELTER LOCATIONS:
